Oh oh oh, oh yeah yes, oh oh oh, my, my

Here we are face to face  
With the memories that can't be erased  
Although we need each other  
Things that changed, it's not the same

Sometimes it makes me wonder  
Where would I be, if you hadn't discovered  
Which I did, inside of me  
I know there was something, that we could compare

Oh, well, I,

1-Never meant to cause you no pain  
I just wanna go back to being the same  
Well I, only wanna make things right  
Before you walk out of my life

Remembering the good times  
>From a portrait hung on high  
It's filled with so much color  
And the laughter we left behind  
I made the choice and you couldn't decide  
I made the choice, I was wrong you were right  
Deep down inside, I apologize  
(rpt 1)

Though I made plans with you  
To always have time for you  
(Before you walk out of my life)  
I guess it's true, cannot live without you  
Don't ever go away, ooh oh yeah  
(rpt 1, 1)

Before you walk out of my life
