"Big Love"

I swear by love
You got it
All and much more
Than one could ever hope for
'Cause I would take a number
Just to wait in line, for a look
And to gimme the high sign

B-Section:
Red lights green lights
Go for the gold
Something inside, I want you now
I want it all, and more than you know

Chorus:
My mind is twisted, tied up in knots
My heart is achin' from a shot in the dark
I got a feeling what this is all about
I think it's time for the ...big love
I'm gettin' ready for the big love

Everytime I think about you
I get a lump in my throat
From the big beat in my heart
I am helpless, hungry for attention
I know... you could see me fall apart

B-Section:
Chorus:

Bridge:
Ready, willing and able, give me
The chance to show you-I want it all
More than you know
