(Hillary Lindsey/Troy Verges/Brett James)

I get kissed by the sun each morning  
Put my feet on a hardwood floor  
I get to hear my children laughing  
Down the hall through the bedroom door  
Sometimes I sit on my front porch swing  
Just soaking up the day  
I think to myself, I think to myself  
This world is a beautiful place

I have been blessed  
And I feel like I've found my way  
I thank God for all I've been given  
At the end of every day  
I have been blessed  
With so much more than I deserve  
To be here with the ones that love me  
To love them so much it hurts  
I have been blessed

Across a crowded room  
I know you know what I'm thinking  
By the way I look at you  
And when we're lying in the quiet  
And no words have to be said  
I think to myself, I think to myself  
This love is a beautiful gift

I have been blessed  
And I feel like I've found my way  
I thank God for all I've been given  
At the end of every day  
I have been blessed  
With so much more than I deserve  
To be here with the ones that love me  
To love them so much it hurts  
I have been blessed

When I'm singing my kids to sleep  
When I feel you holding me

I know

I have been blessed  
And I feel like I've found my way  
I thank God for all I've been given  
At the end of every day  
I have been blessed  
With so much more than I deserve  
To be here with the ones that love me  
To love them so much it hurts  
I have been blessed
