Cause we real, you betta guard your grill

Cause if we bout it, bout it

if you ain't bout it, bout it you might get killed

I represent (T-R-U) where them killas at

Back up off me, ain't no softy

I got killas in the projects sellin' water

I got niggas from New Orleans to Florida

bout it bout it (bout it, bout it)

I mean they rowdy, rowdy (mean they rowdy, rowdy)

you betta watch your shit cause niggas is bout it bout it

I mean they snatch you out your car on a kidnap

lay you on the floor and tell you

bitch you betta break off some snaps or dead

put the pistol to your head

ain't no love where I'm from, but you niggas in the  
grave

I mean they dyin', I mean they fryin'

gone off that juice (fermalgahide) and leave their  
mothers cryin'

cause their little boy is dead

cause that color blue or red

and wanta do waht them other ballas said

to make some snaps, I mean to make some money

to break it up on the street, but this game ain't funny

you want that beat in, ain't no way out
