Last night I had the strangest dream
I sailed away to China, in a little rowboat to find ya
And you said you had to get your laundry cleaned

Didn't want no one to hold you, what does that mean?
And you said...

Ain't nothin' gonna break my stride
Nobody's gonna slow me down, oh no
I got to keep on moving
Ain't nothin' gonna break my stride
I'm running and I won't touch ground, oh no
I got to keep on moving

You're on the road and now you pray it lasts
The road behind was rocky
But now you're feeling cocky
You look at me and then you see your past
Is that the reason why you're running so fast?
And she said...

Chorus
Solo

Never let another girl like you work me over
Never let another girl like you drag me under
If I meet another girl like you I will tell her
Never want another girl like you have to say - oh!

Chorus - one note up
Repeat 'till fade }
