Hoah

I can say that we are through  
And I will almost mean it  
But simple words just can't undo  
All the ties between us  
Part of me will hang on  
Long after your gone  
Though it's the right thing for you I know  
I can watch you leave  
But I can't let you go

I will be your friend  
I will dry your tears  
Though I won't be the one you give your love to  
Through the years  
And I will do my best  
Not to let you know  
That I can watch you leave  
But I can't let you go

I will smile and say I'm fine  
Anytime you ask me  
I wish for you a love like mine  
But one that makes you happy  
You'll always own every part  
Of this broken heart  
Though I would die before I'd let it show  
I can watch you leave (I can watch you leave)  
But I can't let you go

I will be your friend  
And I will dry your tears  
Though I won't be the one you give your love to  
Through the years  
And I will do my best  
Not to let you know  
That I can watch you leave  
But I can't let you go

And I will do my best  
Not to let you know  
That I can watch you leave  
(I can watch you leave)  
But I can't let you go  
(Can't let you, can't let you, can't let you go)  
Can't let you go
