[Missy Elliott]

Hey you nigga

Tell me what the issue

All up in the booty like tissue

Could it be how Missy so vicious

Make you so suspicious

I been known to beat them bitches with those switches

If you wanna roll with those sissies

You can't roll with Missy I'ma kiss you on your cookie

Show these pussies I'm the rookie

Sleep while your homeboy book me (fikky fikky fikky)

Is you mad cause I'm took and got you shook

[Mya - Verse One]

You think you slick

Tried to play a dirty trick on this heart of mine

You thought that I was blind

You took your pick

Between this other girl and me

She was a friend of mine

I got your ass this time

[BRIDGE]

Don't you come here talking that bull shit to me (to me)

I ain't the one you with

Tears in your eyes won't shed the lies you told to me (to me)

So get up out my face

[CHORUS]

Bye (it aint a, it aint a)

Bye bye (you can cry all you want to)

Bye (I caught you)

You coulda stopped by, you got me hurting inside

You shoulda never lied

Bye (bye) You shouldn'tve kept that trick on the side

[Mya - Verse 2]

You think you bad

Lost the only love you had

Looking for someone

Who you could fuck for fun (ficky-ficky-ficky)

Why stay wit me

If what you wanna do is play

Take your tricks somewhere

And keep your hoe ass there (you can stay right there)  
[Repeat BRIDGE]  
[Repeat CHORUS]  
[Mya]  
Shouldn't kept, shouldn't kept that trick on the side  
Then maybe I, I wouldn't of had to say goodbye  
[Repeat CHORUS]  
[Missy "Misdemeanor" Elliott]  
All you had to do was ask me  
If I was nasty  
Lasting  
Won't quit until the sun set  
Read my lips  
I'd like to know who that bitch in the flick is  
Who you cheesing with, Im about to flip  
Know what I'd do if I drink a brew  
Uhh Miller boo  
Kick 1-2 Kung Fu  
You and your boo  
The worst thing you could ever do  
Is have a chick on the side, right?  
TRUE! (true, true)  
[Repeat CHORUS until fade]
