Hush the neighbors hear you moaning and groaning
But I just can't help it specially when we be boning
"I can take your fears away" he said
"It's so much better when you do it my way"
I could not believe it
Hey what's your name, beau doh doh dah
He's something like my favorite movie, beau doh doh
dah
I wanna see him again and again, beau doh doh dah
He's like my disco - he's really groovy, beau doh doh
dah
When we go out I'm gonna let him in

He wanna fight and make me feel like nothing
Never loving but we're always fucking
"I can take your fears away"
But I kinda miss them now that they've gone astray
I could not believe it
Hey what's your name, beau doh doh dah
He's something like my favorite movie, beau doh doh
dah
I wanna see him again and again, beau doh doh dah
He's like my freight train - he really moves me, beau
doh doh dah
When we go out I'm gonna let him in, beau doh doh
dah
He's something like my 7 eleven, beau doh doh dah
He got me open like an all night store, beau doh doh
dah
He's like my blue skies - he's next to heaven
Beau doh doh dah
He give me some and then I want some more

I could not believe it
Hey what's your name, beau doh doh dah
He's something like my favorite movie, beau doh doh
dah
I wanna see him again and again, beau doh doh dah
He's like my disco - he's really groovy, beau doh doh
dah
When we go out I'm gonna let him in, beau doh doh

dah
