I see the headlights on the highway
Iâ€™m standing in the rain
Gonna hitch a ride to nowhere
Shake off mary jane
Ashes to ashes
Leave it in the dust
Donâ€™t worry about missinâ€™ me
You do what you must whoa

Change no you canâ€™t change me
Into something I could never be
Sure nuff plain to see
That you canâ€™t, you canâ€™t
Change me

Are we losing our connection
Are you somewhere on the line
Yeah iâ€™m hearing your suggestion
But itâ€™s too late, too late
Here tonight
So many reasons
Everybodyâ€™s out of time
Iâ€™ll take my chances baby
Ooh ooh and take whatâ€™s mine

Change no you canâ€™t change me
Into something I could never be
Sure nuff plain to see
That you canâ€™t, you canâ€™t
Change me
You know youâ€™re something to see
But you canâ€™t no you canâ€™t change me
Youâ€™re somewhere in tomorrow
Iâ€™m stuck here in today
Got more trouble than a man
Can borrow
When youâ€™re livinâ€™ it up livinâ€™
In outer space

Change no you canâ€™t change me
Into something I could never be

Sure nuff plain to see
That you can't, you can't change me
Change you can't change me
Yeah I bet your something to see
But you can't no you can't change me
