It's after midnight and shes on you phone (phone)
Sayin' come over cuz shes all alone (lone)
I could tell it was your ex by your tone (tone)
Why is she callin now after so long

Now, what is it that she wants
Tell me what is it that she needs
Did she hear about the brand new benz that you just
bought for me
Cuz yall didnt have no kids
Or share no mutual friends
And you told me that she turned trick when yall broke
up in 96..

HOOK

Wutcha gon' do when you cant say no
And the feelings start to show boy I really need to know
and..
How ya gonna act
How ya gonna handle that
Wutcha gonna do when she wants you back

REPEAT HOOK

There's no need to reminisce bout the past (past)
Obviously cuz that shit did not last (last)
I Know how a woman will try to game you (you)
Don't get caught up because baby, you'll lose

Now what is it that she wants
Tell me what is it that she needs
Did she hear about the brand new Benz that you just
bought for me
Cuz yall didnt have no kids
Didnt share no mutual friends
And you told me that she turned trick
When yall broke up in 96..

REPEAT HOOK 3X

Tell me why she on the phone in the middle of the night
Tell me why she is your life trying to get whats mine
She dont know me, shes about to know me
Im in you life thats how its gon' be

I seen her photo, she aint even all that
So if you want her back, you can take her back
Cuz game recognize game, i can do the same thing
Get it right, change or take back this ring

REPEAT HOOK 3X
