(Bob Seger)

Chances are you'll find me
Somewhere on your road tonight
Seems I always end up driving by
Ever since I've known you
It just seems you're on my way

All the rules of logic don't apply
I long to see you in the night
Be with you 'til morning light

I remember clearly how you looked
The night we met
I recall your laughter and your smile
I remember how you made me
Feel so at ease
I remember all your grace and your style

And now you're all I long to see
You've come to mean so much to me

Chances are I'll see you
In my dreams tonight
You'll be smiling like the night we met
Chances are I'll hold you and I'll offer
All I have

You're the only one I can't forget
Baby you're the best I've ever met

And I'll be dreaming of the future
And hoping you'll be by my side
And the morning I'll be longing for the night
For the night
