If they dropped the bomb  
Would you love me then  
If I was wrong  
Would it be okay?  
Well I can see the holes in everyone  
A change of season

And if I found a way  
To make ammends  
Would you say I was too late?  
Well I can find the holes in anyone  
A change of season  
A change of season

I feel like I'm losing for money  
I feel like I'm losing for free  
I feel older than the dead angel on my shoulder claims  
to be

I feel like we're drinking and driving  
I feel like we're runnig into walls  
I feel like swimming in your apathy  
You know I'd love to be your conscience when it calls

If they made me crawl  
Would you love me then  
If I was small  
Would it be okay?  
Well I can see the need in everyone  
A change of season  
A change of season
