Yeah  
So its me  
And some other shit  
'Cause it tells you  
Every thang that you wanna hear  
Buy you  
Say you  
Take you  
Know you  
Know you  
Soothe you  
And please you

I Love you  
Until these days are gone  
Yeah  
I Love you  
Until these days are gone

'Cause I'll always Love  
You  
I'll always Love you  
Let me ease your pain  
Let me ease ya  
Ease your pain  
Let me ease ya  
'Cause I'll always Love you  
I'll always Love you  
I said let me ease your pain  
Let me ease ya  
I said let me ease your pain  
Let me ease ya

I'll reveal to you all I see  
All I see, all I see  
Show you the way  
Let me free you  
With the warmth of the rising sun  
Free you  
With the warmth of the rising sun

Cause I'll always Love  
You  
I'll always love you  
Yeah  
Let me ease the pain  
Let me ease ya  
Ease the pain  
Let me ease ya  
'Cause I'll always Love  
You  
I'll always Love you  
Yes I will  
I said let me ease your pain  
Let me ease yah  
I said let me ease your pain  
Let me ease yah

Free you with the warmth of the rising sun  
Let me  
With the warmth of the rising sun  
With the warmth of the rising sun

'Cause I'll always Love  
You  
I'll always Love you  
I said let me ease your pain  
I said let me ease your pain

Yeah  
'Cause even though you break my heart  
My wretched soul won't forsake me  
Won't forsake me  
Yeah  
Cause even though you break my heart  
Don't forsake me  
Always  
Love you

Lift me high  
Lift me high  
Lift me high  
Lift me high  
Take me high  
Take me high  
Don't forsake me  
Don't forsake me  
Hide me  
Only one that Loves me  
Only one that Loves me  
Only one to hold me  
Ease my pain

Yeah.
