They wanna get my ass  
Dead or alive  
You know he really tried to take me  
Down by surprisel bet he missioned with the CIA  
He don't do half what he say

Dom Sheldon is a cold man

He out shock in every single way  
He'll stop at nothing just to get his political say  
He think he bad cause he's BSTA  
I bet he never had a social life anyway  
You think he brother with the KKK?  
I know his mother never taught himright anyway  
He want your vote just to remain TA.

Does he send letters to the FBI?  
Did he say to either do it or die?
