Yeah, yeah, oh, oh

The problem is, for many years  
I've lived my life, publicly  
So it's hard for me to find a man I trust  
I rarely trust

And every time I find someone I like  
Gotta worry about if it's really me  
That they see  
And I thought you were the one, oh

1 - Deep inside I wish that you could see  
That I'm just plain old Mary  
Mary

Repeat 1

I don't have a lot of friends  
And sometimes I have to wonder  
Is it cash they see when they look at me  
Cause they're looking for a ride that's free  
So I made the choice to be  
Good to those who were good to me  
Don't judge me or think I'm bitter  
For the evil God's allowed me to see  
I'm just Mary

2 - I'm just Mary, just Mary, just Mary

Repeat 2 (3x)

Repeat 1 (4x)

It's the car I drive  
The clothes I wear  
The diamonds, the furs, and the house  
Don't make the woman  
So I need someone  
To stand by me  
And supply my needs

And I'm just plain old Mary

Repeat 1 till end
