You always said you'd shed a million teardrops  
If we should part, if ever we should part  
But now you're gonna leave me high and dry  
So, goodbye baby, Don't Forget To Cry  
The tears you shed would build a brand new river  
If we were through, if ever we were through  
But now somebody new has caught your eye  
So, goodbye baby, Don't Forget To Cry

But now somebody new has caught your eye  
So, goodbye baby, Don't Forget To Cry

The tears you shed would build a brand new river  
If we were through, if ever we were through  
But now somebody new has caught your eye  
So, goodbye baby, Don't Forget To Cry
