It's just one of them days, when I wanna be all alone  
It's just one of them days, when I gotta be all alone  
It's just one of them days, don't take it personal  
I just wanna be all alone  
And you think I treat you wrong

I wanna take some time out to think things through  
I know it always feels like I'm doing you wrong  
But I'm so in love with you  
So understand that I'm only in love  
You're the only one I need  
So have no thought that I want to leave  
And baby trust me please

1-Just one of them days, that a girl goes through  
When I'm angry inside  
Don't want to take it out on you  
Just one of them days, don't take it personal  
I just wanna be all alone  
And you think I treat you wrong  
Don't take it personal, baby baby baby baby  
Don't take it personal

I see and I think about every thing we do  
And I find myself in mysery and that ain't cool  
Hey now, I really want to be with you  
The whole way through  
But the way you make me feel inside keeps me  
confused  
As I swing back from mood to mood  
It's not because of you  
I never want you to be insecure  
So won't you understand that I'm only in love  
You're the only one I need  
I'll be there for you when you need me boy  
So baby don't you leave  
(rpt 1, 1)

Don't take it personal, baby baby baby baby  
Don't take it personal  
Don't take it personal, yeah , don't take it personal

(rpt 1...)
