Little boy on my telephone,  
you've been away and now you wanna come home,

It's kind of strange, since you were the one who left me  
on my own.

So don't you worry, I'm doing fine,

No, don't you worry, that you left me behind.

Coz I love my freedom and I love my life,

So don't you worry, coz I'm doing fine.

It's a little crazy you decided to go,

I was thinking bout it just an hour ago, I was wondering  
if

you've changed, I hope that you've grown,

oh won't you let me know.

Been about a year since I heard your voice,

and I can't pretend that I'm not curious,

If you're wondering why I'm not making a fuss,

I guess I'm over us.

Chorus x 2

But don't you ask me if I still love ya,

Coz the day you left my life, you lost all your rights.

Bet you wonder what I'm doing,

well all you need to know, is I'm doing fine.

Chorus x4
