I wonder how you sleep  
I wonder what you think - of me  
If I could go back  
Would you have ever been with me  
I want you to be unleased  
I want you to remember  
I want you to believe in me  
I want you on my side  
Come on  
And lay it down  
I've always been with you  
Here and now  
Give all that's within you  
Be my savior  
And I'll be your downfall  
Here we go again  
Ashamed of being broken in  
We're getting off track  
And I want to get you back again  
I want you to trouble me  
I wanted you to linger  
I want you to agree with me  
I want so much, so bad  
Come on  
And lay it down  
I've always been with you  
Here and now  
Give all that's within you  
Be my savior  
And I'll be your downfall  
You be my savior  
Only love can save us now  
Love save me now  
Only love can save us now  
I'll be your downfall  
Our love can save us now  
Love save me now  
Lay it down  
I've always been with you, here and now  
With all that's within you  
Be my savior

And I'll be your downfall  
Now I'm back on my own  
Yeah my are heavy, made of stone  
And I'll make you go where I go  
Well they're here, can I take you home  
And I'm coming home, on my back  
Kissing me, your lips painted black  
I'll be your downfall  
Let me be your downfall, baby
