Make his fight on the hill in the early day constant chill  
deep inside  
Shouting gun on they run through the endless grey on  
they fight for the right  
yes but whos to say  
For a hill men would kill why they do not know  
Stiffened wounds test there pride  
Men of five still alive through the raging glow gone  
insane from this pain that  
they surely know

For Whom the Bell Tolls  
Time marches on  
For Whom the Bell Tolls

Take a look to the sky just before you die, its the last  
time you will  
Blackened roar, massive roar fills the crumbling sky,  
shattered goal fills the  
soul with a ruthless cry  
Stranger now are his eyes to this mystery, hears the  
silence so loud  
Crack of dawn, all is gone except the will to be.  
Now they see what well be blinded eyes to see...

For Whom the Bell Tolls  
Time marches on  
For Whom the Bell Tolls
