Spoken:

Forever always

Verse 1:

Oh baby baby, let's talk it out
Cause you're so special and mean so much to me
Baby boy, there've been times, you dogged me out
I should have left you but stayed right by your side
I chose to love you only
But you won't let me you pushed my love away
Don't be so selfish with your love (ooohh ooohh)

Chorus:

Forever always
I'm going to love you until my dying day
Forever Always
A love so special it'll never fade away

Verse 2:

The other day you saw me out
You had no reason to trip or have a doubt
Baby boy, he's nothing but a friend of mine
You don't have to be afraid
If I ever lose you I'd throw my heart away
I chose to love you only
But you're so jealous you pushed my love away
Don't be so selfish with your love (ooohhh)

Chorus

Babe, it's forever, always
It's forever always babe
it's forever, always...

Chorus till fade
