Mya you know the hook,  
You see the bait,  
I know you want a bite,  
So why procrastinate  
Come on

Everybody knows that yeah I'm kinda shy  
And I'm not the kinda girl who could ever approach a  
guy  
But I wanna find a way to get you to notice me  
I got a four wheel drive, 5' 5", brown eyes,  
Then maybe you can handle these  
Because I'm free

Chorus: Free... single, sexy and sweet  
Makin' my own money  
Lookin' for the right party  
And if you're free... spit your best game at me  
If you like what you see  
Maybe I'll let you share my fantasy

Now, I don't need a man in my life tryin' to tie me down  
And I don't wanna playa who got kids all over town  
Don't want his curl juice drippin' all over my Mercedes  
seat  
I can't stand a man who thinks he looks better than me  
I'm lookin' for a brother who like to have fun  
A fly gentleman who knows how to please a woman  
The last thing I need is a man that's soft  
He betta get it on up and break me off  
Some a that fly high rise, 6' 5", ain't shy  
And that's the kinda man I need  
Because I'm free

Repeat Chorus (2x)

Bridge: Mmm... If you're having a good time, just let go  
and don't be shy  
Come on yeah... oh yeah  
If you're down to do whatever  
Then let's sing this song together

I'm free, oh come on and be free with me

Repeat Chorus

Last Chance

Ooh boy, you look so good to me,  
You might get lucky  
'Cause I feel free tonight,  
Are you available  
Did you come here alone,  
Won't you hang out with me  
I'll freak you on the dance floor

Everybody in the house... high rise  
All the brothers up in here... 6' 5"  
Gotta get in on up... High rise  
You know you lookin' good tonight  
All the ladies in the house... 5' 5"  
Gotta show 'em whatcha got... thick thighs  
Freak 'em on the floor... Ain't shy  
You know you lookin' good tonight
