I don't care now what I do
'cause I am just a fool like you
Get my way now everyday
I take all I can get just like you
Just like you

Back in ya face
Such a disgrace
We're the generation swine
A rat race from outerspace
Gonna blow your mind
Gotta get away, gotta get away
Aggravation gotta blow my brains
Gotta blow my brains
We're the generation
I want more, it's not enough
We get our thrills
Right from this stuff
So my mind's a sewage sump
It's smelling bad and
Out of luck
Just like you
Back in ya face...
Such a disgrace
We're the generation swine
Gimme no lip
Here comes my fist
I don't need it this time
Gettin blown away, gettin
Thrown away
Degeneration
This here songs for you, the
Doomed welcome my fools to
The planet boom
Thinkin' that I'll grab my space
Gun leave this place right
Now for the zoom
Gimme some space
Get outta my face
We're the generation swine
Don't need your lip

Your ignorance
We're the generation
Always on the run
New sensation
Wanna go insane
Gonna go insane
We're the generation swine
