Ah Get On The Floor And Dance  
Ah, On The Floor And Dance

So Get On The Floor  
And Dance With Me  
I Love The Way You Shake Your Thing  
Especially

There's A Chance For Dancin'  
All Night Long  
There's A Chance For Groovin'  
And It Will Be Soothing  
With A Song

Then Why Don't You Just  
Dance Across The Floor  
'Cause There's A Chance For Chances  
And The Chance Is Choosin'  
And I Sure Would Like Just To Groove With You

So Get On The Floor  
And Dance With Me  
I Love The Way You Shake Your Thing  
Especially  
So Get On The Floor  
And Dance With Me  
I Love The Way You Shake That Thing (Girl)  
Especially

No Need For Rejection  
Determined To Be  
Gonna Groove Gonna Move Ya  
Gonna Say Things To Ya  
Just Wait And See

Then Why Don't You Just  
Dance Across The Floor  
'Cause There's A Chance For Choices  
And It's You I'm Choosin'  
And I Sure Would Like Just To Groove With You

So Get On The Floor  
And Dance With Me  
I Love The Way You Shake Your Thing  
Especially

So Get On The Floor And Dance With Me  
I Love The Way You Shake That Thing Girl  
Especially

Chant  
Get Up Won't You G'on Down  
Shake Your Body Won't You G'on Get Down  
Get Up Won't You G'on Down  
Shake Your Body Won't You G'on Get Down...

So Get On The Floor And Dance With Me  
I Love The Way You Shake That Thing Girl Especially  
So Get On The Floor And Dance With Me  
I Love The Way You Shake That Thing Girl  
Especially

Chant  
Get Up Won't You G'on Down  
Shake Your Body Won't You G'on Get Down  
Get Up Won't You G'on Down  
Shake Your Body Won't You G'on Get Down  
Get Up Won't You G'on Down  
Shake Your Body Won't You G'on Get Down  
Get Up Won't You G'on Down  
Shake Your Body Won't You G'on Get Down
