I'm in love with you, girl  
Cause I have on my mind  
You're the one I think about most everytime  
And when you pack a smile in everything you do  
Don't you understand, girl, this love is true  
Your sophisticated hand knows how to sweeten things  
That came like a bruship on your skin  
It lightens up my day and that's oh so true  
Together we're one, separated we're two  
To make you all mine, all mine is my desire  
Cause you contain a quality that I admire  
You're pretty and simple, you rule my world  
So try to understand  
I'm in love girl  
I'm so in love girl  
I'm just in love girl, and this is true

Girl you know it's true, oh, oh, oh  
I love you  
Yes you know it's true, oh, oh, oh  
I love you  
Girl you know it's true

My love is for you  
Girl you know it's true  
My love is for you

It's the same sort of thing girl I can't explain  
My emotions start up when I hear your name  
Maybe your sweet, sweet voice would ring in my ears  
Then my lips smile when you are near  
Come with your positive emotion  
Love making is joy  
That's for us too just like girl and a boy  
These feelings I get, I often wonder why  
So I thought I might discuss this, girl, just you and I  
Now what you're wearing I don't care as I've said  
before  
The reason that I like you girl is for what you are  
If I said I'd think about it, you rule my world  
So try to understand

I'm in love girl  
I'm so in love girl  
I'm just in love girl and this is true
