Aha, uh yeah

Gonna get along without ya now  
Aha, uh yeah,  
I'm gonna get along without ya now  
Got along without ya, before I met ya  
Gonna get along without ya now

You told me I was the neatest thing  
You even asked me to wear your ring  
You ran around with every girl in town  
You didn't even care if you got me down

Before I find somebody who's twice as cute  
'Cause I didn't like your attitude  
You told everybody that we were friends  
But this is where our friendship ends

So long my honey  
Goodbye my dear  
Gonna get along without ya now
