Skye

Roll out the fabric(?) carpet
So I can walk
Hook up those microphones
So I can talk
Can be the mayor of the city
And clean up all of this mess
I'd never be assassinated
In my bullet proof vest

You can't keep a good girl down
No you can't keep a girl down
I've been lost and found
No, you can't keep a good girl down

You can't keep a good girl down
No you can't keep a girl down
I've been lost and I've been found
You can't keep a good girl down

I'm taking the corners
Driving on two wheels
I'm climbing the cliff tops while you're
Grabbing my heels

You can't keep a good girl down
No you can't keep a girl down
I've been lost and found
No, you can't keep a good girl down

Bahamadia

?????!!!
??

Skye

A round house kick
Would leave you dead
And i'll take the biggest jug and

Smash it over your head

You can't keep a good girl down
No you can't keep a good girl down
I've been lost and found
No, you can't keep a good girl down

You can't keep a good girl down
No you can't keep a good girl down
I've been lost and I've been found
You can't keep a good girl down
