Hold me, hold me,  
Never let me go until you've told me, told me,  
What I want to know and then just hold me, hold me  
Make me tell you I'm in love with you.

Thrill me, thrill me,  
Walk me down the lane where shadows will be, will be  
Hiding lovers just the same as we'll be, we'll be,  
When you make me tell you I love you.

They told me be sensible with your new love,  
Don't be fooled thinking this is the last you'll find.  
But they never stood in the dark with you love,  
When you take me in your arms and drive me slowly  
out of my mind

Kiss me, kiss me,  
And when you do I'll know you that you will miss me,  
miss me,  
If we ever say adieu so kiss me, kiss me,  
Make me tell you I'm in love with you
