Drop dead beauties, stompin up a storm  
Lines of hell on our face  
Bruised bad apples ..crawling through the night  
Busted loose..runaway!!!  
Always always  
Thrill without a motive  
30 days just a haze  
Everybody wants a piece of the action  
Everybody wants some piece of the pie

Where on a holiday, hooligans holiday  
I'm on a holiday.... hooligans  
I gotta get away ....hooligans holiday  
Where on a holiday # "Â#()Â"  
Hooligans

Cross eyed derilicts coming  
An iron horse between our legs  
Tattoos an black manes flowin everyday  
A holidayze \*\*\*\*\*  
Modern times an new bloods pumpin  
Only the strong survive
