Howling, how long,
Sounding, so calm,
Pounding, so strong,
Founding, so wrong.

Howling (howling),
How long (how long).

Strolling, so long,
Lolling, some song,
Firing, a gun,
Darkness, has come.

Howling (howling),
How long (how long).

Hanging, up high
Swing in the sky
Cacti, still cry
Why do, we try

Howling (howling),
How long (how long).

Howling (howling),
How long (how long).

Howling (howling),
How long (how long).
