Don't you leave me father time
Take me with you
Tell me does your sun still shine?
Come squeeze the world
And drip it down my throat again
Down my throat again

You've got to breathe man, breathe
Comin' up for
Breathe man, breathe
Comin' up for air

Touch me so I think I'm here
Skin my senses
Barely breathing minus human
Please squeeze the world
And drip it down my throat again
Down my throat again

You've got to breathe man, breathe
Comin' up for
Breathe man, breathe
Comin' up for air
