The sun is shinin' everyday  
clouds never get in the way  
for you and me.  
I've known you just a week or two  
but,baby,i'm so into you  
can hardly breathe.

(CHORUS)

And i'm in so totally wrapped up  
emotionally attracted,so physically actin'  
so recklessly i need you  
so desperately sure as the sky is blue  
baby,i love you.

I never knew that i could feel like this  
can hardly wait til our next kiss  
you're so cool.  
If i'm dreamin' please don't wake me up  
cause ,baby,i can't get enough  
of what you do.

(CHORUS)

And i'm in so electrically charged up kinetically  
actin' erratically,need you fanatically  
you get to me magically  
sure as the sky is blue  
baby,i love you.

(BRIDGE)

I can't believe that this is real.  
The way i feel.  
Baby,i'm gone head over heels.

(REPEAT CHORUS)

Baby,i love you.  
Do you love me too?  
Baby,i love you.
