There's something I have to say to you  
If you promise you'll understand  
I cannot contain myself when in your presence  
I'm so humble  
Touch me  
Don't hide our love  
Woman to man

She just a lover  
Who makes me high  
It's worth the givin  
It's worth the try  
You cannot cleave it  
Put it in the furnace  
You cannot wet it  
You cannot burn it

She wants to give it  
(She wants to give it  
Ahh she wants to give it)  
Dare me  
(She wants to give it  
Ahh she wants to give it)  
She wants to give it  
(She wants to give it)  
Yeah  
(Ahh she wants to give it)  
(She wants to give it  
Ahh she she wants to give it)

It's just a feelin  
You have to soothe it  
You can't neglect it  
You can't abuse it  
It's just desire  
You cannot waste it  
Then if you want it  
Then won't you taste it

She wants to give it  
(She wants to give it

Ahh she wants to give it)  
Dare me  
(She wants to give it  
Ahh she wants to give it)  
She wants to give it  
(She wants to give it)  
Yeah  
(Ahh she wants to give it)  
No No  
(She wants to give it  
Ahh she wants to give it)

One thing in life you must understand  
The truth of lust  
Woman to man  
So open the door and you will see  
There are no secrets  
Make your move  
Set me free

Ah  
Because there's somethin about you baby  
That makes me want  
To give it to you  
I swear there's  
Somethin about you baby  
Ah  
Oh

Just promise me  
Whatever we say  
Whatever we do to each other  
For now we make a vow to just  
Keep it in the closet  
(Dare me)

If you can get it  
It's worth a try  
I really want it  
I can't deny  
It's just desire  
I really love it  
Cuz if it's achin  
You have to rub it  
She wants to give it

(She wants to give it  
Ahh she wants to give it)  
(Dare me)  
(She wants to give it  
Ahh she wants to give it)

She wants to give it  
(She wants to give it)  
Yeah  
(Ahh she wants to give it)  
(She wants to give it  
Ahh she wants to give it)

Just open the door and you will see  
This passion burns inside of me  
Don't say to me  
You'll never tell  
Touch me there  
Make the move  
Cast the spell

Ah  
Because there's somethin about you baby  
That makes me want  
To give it to you  
I swear there's somethin about you baby  
That makes me want

Just promise me  
Whatever we say  
Or do to each other  
(Whatever we doooooo)  
We make a vow for now to just  
Keep it in the closet

(Dare me)  
Ooh!  
(gasping, whispering)  
Because there's somethin about you baby  
That makes me want  
To give it to you  
Because there's  
Somethin about you baby  
That makes me want  
To give it to you  
I swear there's somethin about you baby  
(I don't know)  
That makes me want  
To give it to you  
I swear there's somethin about you baby  
That makes me want  
(I don't know, I don't know) To give it to you  
There's somethin about you baby  
That makes me want  
To give it to you  
Somethin about you baby  
That makes me want

Just promise me  
Whatever we say  
Whatever we do to each other  
(Whatever we doooooo)  
For now  
We'll make a vow to just  
Keep it in the closet

(She wants to give it)  
Dare me  
(gasping)  
(Ah)  
Keep it in the closet  
(She wants to give it)  
Dare me  
(Ah)  
(gasping)  
Keep it in the closet  
(She wants to give it  
Ahh she wants to give it)  
Dare me (She wants to give it)  
(major gasping)  
(Ahh she wants to give it)  
(She wants to give it  
Ahh she wants to give it)  
(She wants to give it  
Ahh she wants to give it)  
(Break it down)  
(She wants to give it)  
(She wants to give it  
Ahh she wants to give it)  
(She wants to give it)  
(Keep it in the closet)  
(She wants to give it)  
(She wants to give it)  
(Keep it in the closet)  
(She wants to give it  
Ahh she wants to give it)
