Inside...
Last night when I saw you
With somebody new
You asked how I've been
And I I told you I was fine
And as you held each other close
I smiled and said it's good to see you
And you didn't know
Inside
I'm cryin' baby
Inside
I'm dyin' baby
I don't wanna let you see
Baby what you've done to me
So I keep it all inside (inside)
Inside (inside)
Sometimes when you call me
I don't know what to say
You say I've been on your mind
And we'll talk again sometime
You say you're glad we can be friends
I say I'm over all the heartache
But it's all pretend
Inside
I'm cryin' baby
Inside
I'm dyin' baby
I don't wanna let you see
Baby what you've done to me
So I keep it all inside
Inside
Outside I'm smilin' baby
Outside these tears just can't be found
But I'm just breaking down
INSIDE
Don't you know that I am dyin' baby (dyin' baby)
I don't wanna let you see
Baby what you've done to me

So I'll keep it all INSIDE
Yeah, I'm cryin' baby
Inside
I'm dyin' baby
I don't wanna let you see
Baby what you've done to me
So I'll keep it all inside
I'll just keep it all inside
Inside...
