If I could tear down these walls that keep you and I
apart
I know I could claim your heart and our perfect love will
start But girl you
just won't approve of the things that I do When all I do
is for you but
still you say it ain't cool If there's somebody else, he
can't love you like
me And he says he'll treat you well, he can't treat you
like me And he's
buying diamonds and pearls, he can't do it like me And
he's taking you all
across the world, he can't trick you like me

So why ain't you feelin' me, she's invincible
But I can do anything, she's invincible
Even when I beg and plead, she's invincible
Girl won't give in to me, she's invincible

Now many times I've told you of all the things I would
do
But I can't seem to get through no matter how I try to
So tell me how does it seem that you ain't checking for
me
When I know that I could be more than you could ever
dream
If there's somebody else, he can't love you like me
And he says he'll treat you well, he can't treat you like
me And he's buying
diamonds and pearls, he can't do it like me And he's
taking you all across
the world, he can't trick you like me

So why ain't you feelin' me, she's invincible
But I can do anything, she's invincible
Even when I beg and plead, she's invincible
Girl won't give in to me, she's invincible

Now some way I'll have to prove all that I said I would
do Giving you
everything, fulfilling your fantasy Then maybe you'll

change your mind and
finally give in in time Then I'll be showing you what
other men are supposed
to do for you my baby

Rap

So why ain't you feelin' me, she's invincible
But I can do anything, she's invincible
Even when I beg and plead, she's invincible
Girl won't give in to me, she's invincible

So why ain't you feelin' me, she's invincible
But I can do anything, she's invincible
Even when I beg and plead, she's invincible
Girl won't give in to me, she's invincible

So why ain't you feelin' me, she's invincible
But I can do anything, she's invincible
Even when I beg and plead, she's invincible
Girl won't give in to me, she's invincible
