I've Got A Right To Cry
I've Got A Right To Cry
All day I sing the blues
I'm in my lonely shoes
Could you be so unkind?
I nearly lost my mind
I wonder if you care
My life is a sad affair

My heart is aching
And it's breaking
And I don't know what to do
Sweetheart it's all because of you

You know you done done me wrong
Come on back home where you belong
And end my reason why
I've Got A Right To Cry
Yeah, my heart is aching
And it's breaking
And I don't know what to do
Oh, Sweetheart, it's all because of you

You know you done done me wrong
Come on back home where you belong
And end this reason why
I've Got A Right To Cry
