Well I left Louisiana
Lookin' for some higher ground
Trying to make my crazy dream come true
But six months in Atlanta
Done tuned my heart around
Tell me you still want me too
Let me come back home to you

Please Jolie
Put me under your spell again
Won't you make me feel well again
Take me out of this Hell I'm in
Oh please, Jolie
This time I'm gonna treat you right
All I want to do is hold you tight
Believe me I've seen the light Jolie

That day I left you cryin'
On the shores of Ponchatrain
I left the only dream I'll ever need
Baby I ain't lying
I can't put out this flame
Gonna get down on my knees
Meet me down in New Orleans

Please Jolie
Put me under your spell again
Won't you make me feel well again
Take me out of this Hell I'm in
Oh please, Jolie
This time I'm gonna treat you right
All I want to do is hold you tight
Believe me I've seen the light Jolie

Please Jolie
Put me under your spell again
Won't you make me feel well again
Take me out of this Hell I'm in
Oh please, Jolie
This time I'm gonna treat you right
All I want to do is hold you tight

Believe me I've seen the light Jolie

Tell your momma tell your daddy too
Tell 'em that I'm comin' home for you
Gotta ring for your pretty little hand
Gonna be your ever lovin' man
Tell your momma tell your daddy too
Tell 'em that I'm comin' home for you
Gotta ring for your pretty little hand
Gonna be your ever lovin' man
