I was the kind of kid back in school  
Who wore a members only jacket, thought he was kool  
That's when I met katrina, she was best friends with  
seshel  
I thought she was the one, yeah I thought she was  
special  
I saw her in the hall about quarter til three  
I said I'll take you in my nova, to the tasty freeze  
She said I know all about you, more than I should  
I know all about the dirty mags you keep in the woods

(chorus)

So tell me how I'm supposed to be when I've been  
stalked by a lesbian  
I can't sleep a wink, and I'm married to the ephedrine  
How am I supposed to sleep when I've been stalked by  
a lesbian now

Now don't take it light, it might seem funny to you  
Yesterday my science project, was covered in glue  
So I asked that guy seshel, was it something I said  
He said quit being so fuckin' paranoid, it's all in your  
head  
The way she's looking at me, I think she wants me to  
be,  
The guy that always gets shot in every movie you see  
Oh god she's walking this way, oh god what should I  
say,  
I hope and pray that one day she'll be straight

(chorus)

So I was at a bar the other night and I looked across the  
room and there's this girl and she walks up to me and  
she's beautiful and she says 'Hey, I'm Katrina, dude,  
remember me?' and I freaked I said 'Oh my god I  
thought you looked familiar' about this time this 400  
fucking pound woman walks up with Katrina's face  
tattooed on the side of her neck, she comes waddling  
and says 'DON'T FUCK WITH MY GIRL' I looked at Jabba  
straight in the fucking eye and say 'Don't worry every

time I picture Katrina's face it's gonna be on the side of  
your gross, fat-assed, 3 chinned neck' she says 'Are  
you stupid?' I say 'No I'm just sober! '\*\*

(chorus)

And she beat the shit out of him
