Is it really real
The love that you feel for me
Or is it a game
for you to get into my groove
But boy don't be dismayed
I'd feel it too
If I apply to you
Boy your love remains the same
Chorus
Boy I'll give you all I've got
All I have is all I get
If you remain
remain the same
Just keep on lovin' me
'cause all that I want to do
I'll take the time to show you how it
could be
Just keep on lovin' me
I know you're disappointed
But what can I do boy
to make that change
This time I'll do what you say
to help you believe
And make it better
To keep it together
Chorus
Ad lib until fade
