You don't have to sneak in the door  
Just come on into the room  
I've been lying in our bed in the dark all alone  
And I've been waiting for you  
There's been no reason to move  
It's been as still as a tomb  
I needed you oh so badly tonight  
But I guess you hat better things to do ...  
I should have known that it was coming to this  
But I must have been blind  
I bet you still got a trace of his love in your eyes  
And you still got his eyes on your mind...  
You swore you'd be with me at 7 o'clock  
Now it's a quarter to 3  
Well whatever you got and whoever it was  
I guess you couldn't get it from me  
Whatever you got and whoever it was  
I guess you couldn't get it from me...  
I know that you love me  
There's no need to talk  
I see the look in your eyes and I got the proof  
And there are no lies on your body  
So take off your dress  
I just want to get at the truth  
I know that you love me  
There's no need to talk  
I see the look in your eyes and I got the proof  
And there are no lies on your body  
So take off your dress  
I just want to get at the truth...  
And there are so many things that I've just got to know  
You tell me woh!  
You tell me where!  
You tell me when!  
But don't tell me now  
I don't need any answers tonight  
I just need some love so turn out the light  
And I'll be left in the dark again  
I just need some love so turn out the light  
And I'll be left in the dark again  
Left in the dark again ...

I should have known that it was coming to this  
But I must have been blind  
I bet you still got a trace of his love in your eyes  
And you still got his eyes in your mind  
You swore you'd be with me at 7 o'clock  
Now it's a quarter to 3  
Well whatever you got and whoever it was  
I guess you couldn't get it from me  
No I guess you couldn't get it from me  
But down in my soul - down in my soul  
I know - I know that you love me  
There's no need to talk  
I see the look in your eyes an I got the proof  
And there are no lies on your body  
So take off your dress  
I just want to get at the truth  
And there are so many things that I've just got to know  
You tell me who!  
You tell me where!  
You tell me when!  
But don't tell me now  
I don't need any answers tonight...  
I just need some love so turn out the light  
And I'll be left in the dark again  
I just need some love so turn out the light  
And I'll be left in the dark again  
I just need some.....  
I just need some love so turn out the light  
And I'll be left in the dark again  
Left in the dark
