[C Murder]

I'm a motherfucking soldier

Bitch I thought I told ya I smoke your ass like doja

Niggas mad cause my tapes selling like crack

Sold a million records not one disc came back

You know I gotta repre fuckin sent

My ghetto niggas got me getting paid like the  
president

But TRU niggas don't yap about it (yap about it)

But when I do some gangsta shit, you know I gotta rap  
about it

I left the dope on the motherfucking table

The feds mad cause we the number one rap label

No Limit records made history in this bitch

And it's a myth on how ghetto niggas getting rich

The whole world say they bout it bout it

I drop this ghetto shit, and get my thug niggas rowdy

My tank dogs coming through, where them niggas at

Ready to hit em, P, pass me them thangs, let me get  
em

Chorus x4

[Magic]

P man, pass me them thangs and let me get em

I be damned if I don't kill a nigga

they shouldn't be fuckin with ya

They don't respect a fucking soldier

They gonna roll or get rolled over, or get fucked over

Now I may be the first to go with, but you best believe

Thirty niggas came out here to get us, thirty niggas  
gonna bleed

I'm here to protect and serve my tank dogs

and any nigga that fuck with us

Colonel, get ready to go to war, I'm hitting hard  
A made nigga, that's why they call me mister Magic  
Busting that niggas that try it, Magic and laugh  
I'm military minding, I don't second guess  
Click clack blast, erasing niggas, it's all bad
