I've been really trying now baby
Trying to hold back this feeling for so long
And if you feel like I feel
Come on

Let's get it on
Let's get it on
Let's get it on
Let's get it on

We're all sensitive people
With so much to give
As long as we got to be here
Let's live

There's nothing wrong with me
Loving you, now
Giving yourself to me
Can never be wrong
If (your) love is true

Don't you know how sweet and wonderful life can be,
yeah
I'm just asking you, baby
To get it on with me

Oh but I ain't gonna worry
I ain't gonna push
I won't push you baby

Come on, come on, come on, come on, come on
Stop beating around the bush
Let's get it on
Let's get it on baby
Let's get it on
