Please, don't let this feeling end,
It's ev'rything I am,
Ev'rything I wanna be;
I can see what's mine now,
Finding out what's true,
Since I've found you
Lookin' through the eyes of love

Now I can take the time,
I can see my life
As it comes on shining now;
Reachin' out to touch you,
I can feel so much,
Since I've found you
Lookin' through the eyes of love.

Refrain

And now I do believe,
That even in a storm, we'll find some light;
Knowin' you're beside me,
I'm alright.

Please, don't let this feelin' end,
It might not come again;
And I want to remember
How it feels to touch you;
How I feel so much,
Since I've found you
Lookin' through the eyes of love.
