Ooh it's been such a long long time
Look like I get you off of my mind
But I can't
Just the thought of you (just the thought of you)
Turns my whole world
Misty blue
Ooh honey just the mention of your name
Turns a flicker to a flame
Listen to me good baby
I think of the things we used to do
And my whole world turns
Misty blue
OOOH baby I should forget you
Heaven knows I've tried
Baby when I said that I'm glad we're through
Deep in my heart, I know I've lied
I lied
I lied
Ooh honey, it's been such a long, long time
Looks like I get you off of my mind
But I can't
Just the thought of you (just the thought of you)
My love
My whole world turns
Misty blue
OOOOH no I can't
No I can't
I can't forget you
My whole world turns
Misty blue
OOOOH my love my whole world turns
Misty blue
Baby, baby, baby, baby, baby I should forget you
My whole world turns
Misty blue
OOOOH my love
My whole world turns
Misty blue
Baby, baby I should forget you
Misty blue
