Moonlight, Moonlight...
Moonlight shadow

The last that ever she saw him
Carried away by a moonlight shadow
He passed on worried and warning
Carried away by a moonlight shadow

Lost in a riddle that Saturday night
Far away on the other side
He was caught in the middle of a desperate fight
And she couldn't find how to push through

The trees that whisper in the evening
Carried away by a moonlight shadow
Sing a song of sorrow and grieving
Carried away by a moonlight shadow

All she saw was the silhouette of a gun
Far away on the other side
He was shot six times by a man on the run
And she couldn't find how to push through

I stay, I pray
See you in heaven, far away
I stay, I pray
See you in heaven, one day

Four A.M. in the morning
Carried away by a moonlight shadow
I watched your vision falling
Carried away by a moonlight shadow

A star moved slowly in the silvery night
Far away on the other side
Will you come to talk to me this night
But she couldn't find how to push through

I stay, I pray
See you in heaven, far away
I stay, I pray

See you in heaven, one day

Moonlight, Moonlight...

Moonlight shadow

Moonlight, Moonlight

Moonlight shadow

Caught in the middle of a hundred and five

The night was heavy and the air was alive

But she couldn't find how to push through

Carried away by a moonlight shadow

Carried away by a moonlight shadow
