All right, huh!
I work hard every day
Come rain or shine
Don't need nobody
To tell about a girl of mine
She's got so much love
She saved it all for me
And I would not be lying
It's the way it's gotta be
So mister Big, uh
Better watch out, uh
And don't you hang around me now
That' all for you
I would dig-ya
A great big hole in the ground
All right...yeah, yeah
Now listen
I don't care who you are.
So don't explain
Better get on out of here
And don't you come back again

I don't want a thing from ya

Don't wanna give you nothing too

So get on out of here

Before I lose my cool

(repeat chorus)

Don't you know I really need to?

Oh, woh, woh, Mister Big, yeah.
