My heart's too broke to pay attention  
If love was a penny I couldn't afford to fall  
Every girl in the world tonight could have sweet  
intentions  
My heart's too broke to pay attention

I was heart broke and feelin' down  
Billy Joe said let's go to town  
He said an ounce of cure  
Is worth a pound of prevention  
He said I know a little waterin' hole  
Where the band is hot and the beer is hot  
There's more woman there  
Than at a Tupperware convention

My heart's too broke to pay attention  
If love was a penny I couldn't afford to fall  
Every girl in the world tonight could have sweet  
intentions  
My heart's too broke to pay attention

I aint ready for another love  
Billy Joe's trying to fix me up  
He's a friend to the end  
He's a man on a mission  
He just punched me in the side  
Said did you see what just walked by  
She had a million dollar smile  
And a body in mint condition
