I think I slipped the net,
But I cut myself free,
I'm not losing yet,
So don't forget me.

I'll say it, we play it, and try tomorrow
I'll say it, we play it, and live with sorrow.

You'd think I'd learn by now,
There's never an easy way,
I get through somehow,
I'm on my knees to pray,

You'd think I'd learn by now,
There's never an easy way,
I get through somehow,
I'm on my knees.

I'll admit I'm wrong,
But I'm getting on track,
I've been here too long,
I'm under attack.

I face it, replace it, and try to change,
I face it, replace it, and rearrange.

You'd think I learned by now,
There's never an easy way,
I get through somehow,
I'm on my knees to pray,

You'd think I learned by now,
There's never an easy way,
I get through somehow,
I'm on my knees to pray.

On my knees to pray.

I think I slipped the net,
But I cut myself free,
I'm not losing yet,

So don't forget me.

I'll say it, we play it, and try tomorrow
I'll say it, we play it, and live with sorrow.

You'd think I learned by now,
There's never an easy way,
I get through somehow,
I'm on my knees to pray,

You'd think I learned by now,
There's never an easy way,
I get through somehow,
I'm on my knees to pray,
I'm on my knees to pray,

On my knees to pray,
On my knees to pray
