Here we go again (Uh...)  
Yeah (Uh...uh...)  
That's right (Uh, uh, uh)  
Here we go again (Hey, hey, uh-huh)  
Ha, yeah (Uh, uh, uh, uh, uh)  
This is the remix  
Back together again, let's go, Mary  
Yeah

All the love we gave, the lovin' that we made  
Then you went away, so I had to pray  
To see a brighter day 'cause I was led astray  
Now I'm movin' on to get away from all this pain

I feel (I feel) better than I felt before (So much  
better, y'all)  
'Cause there's no more drama knockin' at my door (No,  
no)  
I feel (No more) better than I felt before  
(Hey...ooh...ooh...)  
'Cause there's no more drama in my life no more (No  
more)  
No more (No more, no more), no more (No more,  
ooh...)

{This is the remix}  
{I like this, come on}

It's lookin' better now, a brand new love I found  
I finally figured out what love is all about  
Now I'm on my way and all I have to say  
Is there'll be no more cryin' and I truly believe that  
I

I feel (I feel) better than I felt before (So much  
better, better)  
'Cause there's no more drama knockin' at my door  
(Than  
I ever)  
I feel (Felt) better than I felt (Ooh, ooh) before  
(Mmm)

'Cause there's no more drama in my life no more

It's time to realize (Keep all this time)  
It's up to you and I (Up to you and I)  
Love is what you make it  
If you don't give up the fight (Don't give up)  
All this realness (Oh) that's all we need  
(Believe in all your dreams, oh...)

A-yo', Mary  
I don't think they ready for this one  
You it's the D-I, D again, D to the Wheezy  
Been in the game 12 years, it ain't easy  
Been in them dames, got game that's so greasy  
Spinnin' them thangs with a chain that's so freezy  
Please believe me, TV need me  
Far as the CD, pump that on GP  
What's the 411, hon', it's P.D.  
MJB collabo' with the DP  
Period, no question, no comma  
You're hearing this, no vest and no armor  
Bring it to cats like Bush to Osama  
Sippin' on Vu, make moves and no stama  
Word to my mama, can't deal with the drama  
That's why a n\*\*\*\* stay in the Bahamas  
Playin' in pajamas, two sexy mamas  
Body guards, top guns, two extra Hummers  
I don't want no drama  
{Say what}  
{Talk to me, Mary}

I feel (I...) better than I felt before  
'Cause there's no more drama (No more, no more, no  
more) knockin' at my door  
I feel better (No more drama, y'all) than I felt  
before (It's too hard but I gotta say)  
'Cause there's no more drama in my life no more (No  
more)  
No more (I said no more), no more, no more (No, no),  
no more (No more, ey, hey...)  
No more (No more, no more), no more (No more, no  
more,  
no more)  
No more (No more, no more, no, no, no more), no more  
(Ooh....)

I feel better than I felt before  
'Cause there's no more drama knockin' at my door  
I feel better than I felt before  
'Cause there's no more drama in my life no more

No more, no more, no more, no more  
(Thought I done lost all my friends, but I still feel  
real good)  
No more, no more, no more, no more  
(I feel so much better, so much better)
