- This goes out to my best friend
- My partner
- The only person I can trust in this world
- This for you mom

Momma, this is one thing I still can't realize  
How you been so strong when my brother died  
You done kept the family together tight  
Thinkin about how we gone get throught this sorrow  
night  
This is crazy, I can't sleep nope  
Even though i got revenge written across my throat  
Five kids and you done lost one  
Never had a daddy, but put it on your oldest son  
Ain't that a b, leave me to watch the family  
To make the bills get paid, you got to live scandalous G  
Cause the ghetto got me pressured  
Will I die sellin dope, or would I sell a million records  
Ohh momma won't you feel me  
Even though Ms. ?? said somebody tried to kill P  
And you know your boy's sellin dope  
But all you say is watch yo back  
Cause you don't want to see me go

Chorus: (Repeat 2X)

Momma I don't wanna see you cry  
No more tears  
Cause I'm deep in the game  
Sellin much cocaine

Momma how you be so strong  
Even tough the ATF, done kicked down your home  
And ran right through and got me  
But you still came to see me  
And said that you love me  
And I know that you real though  
Cause when I got out, you's the first one at the door  
Knowing that your boy turned into a man  
But you done tripped cause I still understand  
That I'm trying to make some money

And if I die in this game, I guess that won't be funny  
But you still on my side cause you a soldier  
You the only friend I got and ma I told ya  
One day I'ma change G  
Even though the ghetto's crazy, think about your baby  
If I make it out this dope game  
I know that life won't be the same, mamma I gone  
make a change

Chorus:
